HD-MIRACLE

special features

- ✓ Delivers excellent cleaning impact to your kitchenware.
- ✓ Specializes in removing rotting grease and stubborn food stains.
- ✓ Safe to use on all kinds of kitchen utensils.
- ✓ Contains powerful twin-chain quaternary ammonium compound, phosphoric acid, hydrochloric acid, hydrofluoric acid and non-ionic surfactant.
- ✓ Non-toxic.
- ✓ Non-abrasive.
- ✓ Anti-bacterial.
- ✓ Highly concentrated – economically superior for regular and thorough cleaning.

areas of use

- ✓ Use HD-Miracle for removing stubborn stains such as caffeine from porcelain cups and silverware.
- ✓ Remove stains on floors, water basins and bathtubs with one easy scrub.
- ✓ It cleans stains easily and effectively from silverware, copperware, brassware, antiques, aluminium, steel and masonry.

directions for use

- ✓ Apply HD-Miracle liquid sparingly and directly onto item to be cleaned. Rub gently and rinse. Rust, tarnish and stubborn stains come off easily leaving a polished and shiny surface. Utensils are as good as new.

HD-Miracle is an anti-bacterial non-fuming acid that is fortified with corrosion inhibitors to keep metalware and silverware shining and polished. Its powerful action speeds up the removal of stains. Stains are gone within seconds.
