

GREASE-CUTTER

OVEN STAIN
REMOVER &
DISINFECTANT

NATO STOCK NUMBER 6850-32-078-2216

LEMON FRAGRANCE

OVEN STAIN REMOVER & DISINFECTANT

DESCRIPTION

Grease-Cutter is a highly concentrated, non-corrosive and non-flammable cleaner containing a powerful sequestering agent that breaks down, dissolves and removes greases and soils. It also contains a powerful antibacterial component that kills bacteria, fungus, mould and mildew lurking in the warm and moist interior of your oven. It does not contain acid, caustic soda or ammonia. Stains come off easily leaving behind a germ-free, shiny surface. It also protects your oven, giving it a longer life.

AREAS OF USE

Ovens, Grills, Deep Fat Fryers, Rotisseries, Barbecue Grills, Hoods, Canopies, Vents, Filters, Exhaust Ducts, Fans, Counter Tops.

DIRECTIONS FOR USE

Switch off oven and allow to cool down for 10 minutes. Spray Grease-Cutter evenly over hard baked-on carbonized parts.

Wipe off with a cloth. Rinse cloth and wipe till oven is clean.

AVAILABLE PACKAGING

500 ml spray bottle

5 litres plastic container

25 litres carboy

FEATURES & BENEFITS

- Delivers excellent cleaning impact to equipment
- Specializes in removing rotting grease and stubborn food stains
