

VIRAL-SCRUB

PINE FLOOR
CLEANER &
DISINFECTANT

NATO STOCK NUMBER 6840-32-077-5682

PLEASANT PINE FRAGRANCE PINE FLOOR CLEANER & DISINFECTANT

DESCRIPTION

Viral-Scrub is a concentrated powerful anti-bacterial floor disinfectant and deodorizer that kills up to 99.9999% of common household bacteria. It also contains cleansing agents to dissolve grease and grime leaving a clean sanitised surface. It is a natural product that is non-toxic, non-irritating and non-corrosive. Use it to clean all floors including ceramic, marble and timber.

AREAS OF USE

- Viral-Scrub is used for general disinfection of all hard surface flooring such as living room, kitchen, bathroom, bedrooms, pet animal quarters, lift landing and common corridors.

DIRECTIONS FOR USE

Mix 1 to 2 caps of Viral-Scrub to 5 litres of water for ordinary household floor mopping. For heavy cleaning, pour a small amount of Viral-Scrub directly onto floor or toilet, scrub and rinse.

AVAILABLE PACKAGING

- 500 ml bottle
- 5 litres plastic container
- 25 litres carboy
