FRESH TIOMAN BREEZE FRAGRANCE WATERLESS STAIN REMOVER & DISINFECTANT

DESCRIPTION

This is an anti-bacterial cleaner that works right through the grain of your leather, PVC and fabric sofas. Use it to remove stains of juices, milk, coffee, tea, vomit and all other stains leaving the sofa fresh, deodorized and disinfected. Wonder-Kleen is fast-drying and does not harm sofa material while its powerful anti-bacterial formula kills 99.9999% of odour causing bacteria.

AREAS OF USE

- Wonder-Kleen is suitable for cleaning dried and wet stains such as juice, milk, beer, vomit, soft drinks, and coffee from comforters, mattresses, duvets, blankets, curtains, cushion and fabric sofas.

DIRECTIONS FOR USE

- Scrape off all solids in the case of vomit before cleaning with Wonder-Kleen.
- Spray Wonder-Kleen evenly over the area to be cleaned. Brush or wipe off and allow to dry.
- Repeat if necessary. Stains and smells are instantly and permanently removed, leaving a fresh tioman breeze fragrance.
